TIMOR TOUR OF DUTY - Secret war in East Timor 2001.

It was supposed to be a United Nations peacekeeping mission to the tiny southeast Asian land of East Timor, which had declared its independence from Indonesia...not a secret war raging between Indonesian special forces--known as Kopassus--posing as militia, and Australian troops.

For Scott Sherwin and "Pete" members of the Australian Army patrol (call sign 1-2-A), A Company 4RAR, that came under militia attack, the inner battle still rages within... long after the firing has stopped.
