WHY HAS MY MILITARY PENSION GONE UP ONLY 33% IN 10 YEARS? WHEN OTHER PENSIONS HAVE ALMOST DOUBLED

- CASE 1** Army Sergeant with 20 years service medically discharged in 1999 after a serious road accident - now on a military superannuation invalidity pension.
- CASE 2** RAAF Squadron Leader who retired in 1988 with 21 years service. He has a military superannuation retirement pension to support his family.
- CASE 3** Navy Warrant Officer with 23 years service died from a heart attack in 2000 while still serving. His family has a widow's pension from military superannuation.

FACT - Increases in past 10 years

POLITICIANS' SUPER PENSION (PRE 2004)	91%
AGE PENSION	95%
MILITARY SUPER PENSION	33%
