

SPONSORSHIP/DONATIONS: ANZAC CENTENARY STUDENT TOUR 2015

In conjunction with eighteen secondary schools in the Hunter Valley and the education department, we are undertaking to raise sponsorship to send 20 secondary school students and four chaperone's to Gallipoli for the centenary of the ANZAC landings in April 2015.

The group will fly to and from Venice, then spend the period 16 to 30 April 2015, on board a five star cruise ship travelling to Istanbul and the Gallipoli peninsular.

The costs are just over \$7,000 per person.

If any of your members are interested in sponsoring a student or making a donation to the project, they can contact me via details below.

Thanks for your assistance.
